

The logo features a stylized quantum circuit diagram. It consists of two horizontal lines representing qubits. The top line has a control dot connected by a vertical line to a purple circle on the bottom line. The top line continues to the right with a red rounded square. The bottom line continues to the right with a green rounded square. The text "QuantumCircuitOpt" is centered, with "Quantum" in red and "CircuitOpt" in dark gray, all in an italicized font.

*QuantumCircuitOpt*
